Y600^{NC}
WIRELESS
Wireless over-ear NC headphones

Get powered by the sound of inspiration.

Crafted with AKG reference sound and active Noise-Cancelling, the AKG Y600NC Wireless Over Ear Headphones allow you to escape into your music and access your most creative headspace. The AKG Y600NC keep you focused and creative in the noisiest environments with Ambient Aware for total environmental perception and TalkThru, letting you chat with your friends while keeping your headphones on. The AKG Y600NC Wireless Over Ear Headphones provide up to 25 hours of inspired listening with Bluetooth and Active Noise Cancellation turned on. With Play/Pause automation, your music pauses when the headphones are taken off and then starts it again when placed back on your head, so that your inspiration keeps flowing. Should you have an incoming call, the dual-mic echo cancelling mode activates to provide natural and crystal-clear communications. Lightweight, stylish and built with premium materials for durability and comfort like memory foam cushioning and Zinc-alloy hinge rotators, the AKG Y600NC headphones will elevate any creative endeavor. The Y600 Wireless have all you need to enjoy your Samsung device and its features, including UHQ codec support for high quality audio, easily connects to Bixby virtual assistant and MDE to seamlessly connect to the Samsung ecosystem. Thanks to the free AKG headphones App, the Y600 Wireless sound can be fine-tuned to your preferences.

- ▶ Comfort-fit ergonomics for hours of peaceful listening pleasure
- ▶ Multi-point connectivity
- ▶ 25 hour battery life with speed charge
- ▶ Designed for Samsung
- ▶ Hands-free calls and easy sound control
- ▶ AKG Headphones App

FEATURES AND BENEFITS

▶ AKG reference sound

The award winning AKG sound quality lets you appreciate all the details of all your favorite songs. The Bluetooth 5.0 with AAC codec support allows for lossless streaming quality.

▶ Active Noise-Cancelling technology

Active Noise Cancellation fine-tuned for traveling combines with superior materials – memory foam and protein leather – to reduce ambient noise and create a perfect quiet zone of your own.

▶ Ambient Aware and TalkThru technology

Hear your surroundings with two sound modes. TalkThru mode drops music down and turns on speech-optimized mics so you can easily talk with your friends without removing your headphones. Ambient Aware mode increases ambient sounds, so you are more aware of your surroundings. Gain full control of your headphones' performance at the touch of a button or via the AKG headphones App.

▶ Auto Play/Pause function

The headphones will auto pause when taken off and resume playing automatically when placed over your ears.

▶ Comfort-fit ergonomics for hours of peaceful listening pleasure

Lightweight and comfort-fit AKG Y600NC Wireless headphones, are ergonomically designed to entertain you on any journey, long or short.

▶ Multi-point connectivity

Effortlessly switch from listening to music on your portable device to a call from your phone, so that you never miss a call.

▶ 25 hour battery life with speed charge

Get 25 hours of playback with both Bluetooth and Active Noise Cancellation turned on, and up to 35 hours of playback with just ANC turned on or use them endlessly in passive mode. A quick 10 minutes charge provide extra 4 hours of playback.

▶ Designed for Samsung

AKG Y600NC Wireless has everything you need to fully appreciate your Samsung devices, as it features UHQ codec support for high quality audio, easily connects to Bixby virtual assistant and MDE to seamlessly connect to the Samsung ecosystem.

▶ Hands-free calls and easy sound control

The dual-mic echo noise cancelling allows perfect hands-free phone conversations, while the innovative rotating control ensures an easy command of volume level in wireless mode. The additional 1-button universal remote/mic cable provides full control of sound and calls in wired mode.

▶ AKG Headphones App

To gain even more control of the AKG sound, download the free AKG Headphones App and find the perfect settings for "your" sound.
