

**Project Studios
Home Recording**

- Semi-open design
- Supraaural
- Self-adjusting headband

K 121 Studio

The AKG K 121 Studio are entry level professional headphones for various applications, as Project Studios and Home Recording.

These semi-open, supraaural headphones are a true allround performer. The AKG self-adjusting headband ensures good comfort.

The K 121 Studio is equipped with a 3.5/6.3 mm stereo adapter and is designed for ambitious and rugged use. The leatherette ear pads are easy to clean.

The K 121 Studio is designed and engineered in Austria.
